"Blue Streak" Personnell

James Hurley '29 starred at quarterback on the Fremont High team for three years before he entered Carroll. Injuries have hampered him so far this year.

Thomas ("Huck") Flynn '29 is an end from Youngstown Rayen. Though light he is a hard man to take out of the play and is speedy on the attack.

William ("Bill") Herzog '27 is Quinn's running mate at tackle. Like Quinn, he is tall, powerful and rangy, and is quick to diagnose a play. He is the ideal type for a tackle. He prepared at Loyola High.

Phillip ("Phil") Wagner '27 came here as a back with a record of two years served on the championship Glenville team. He is a small, speedy type of a player.

Patrick ("Pat") McDonnell '27 is a hard hitting fullback and a tower of strength on the defense. His punts have averaged close to fifty yards this season. Injuries have followed Pat throughout his collegiate term of football but still he sticks to the game. He prepped at St. Ignatius High.

Joseph ("Joe") Hurley '29 starred at quarterback on the Fremont High team for three years before he entered Carroll. Injuries have followed him so far this season.

Richard ("Dick") Fergus '27 is an understudy for Marrie at halfback. He hits the line hard and is an adept receiver of forward passes. He prepped at St. Ignatius High.

James "Peck" Barrett '28 is a reserve center playing his second year on the team. He has shown on several occasions this season that the center of the line is well guarded when he is in the game. He is another Youngstown South graduate.

Francis "Speed" Gaul '29 plays an understudy to Pat McDonnell at full. He is a strong man on the defense and a sure gainer carrying the ball. He won all-scholastic honors while at Ignatius High where he prepped.

William "Sass" Parilla '27 is a halfback, playing his third year on the team. After two seasons as a reserve back he has WON himself a berth as regular, by his speed and wonderful defense work. At Dayton he played until he dropped from sheer exhaustion. He prepped at Youngstown Rayen.

Joseph ("Joe") Schmucker '28 pairs with McCaffery at guard when the opponents are ponderous. Although heavy himself, Joe dispells any rumors that he is slow by the speedy method of attack. He graduated from St. Ignatius High.

Valarian ("Val") Mastny '27 stepped into a regular end berth from high school. He is exceptionally light but well skilled in the art of sifting the interference and nailing the man with the ball. He prepared at St. Procopus High of Chicago.

R. J. Moriarty, '11

Dr. F. P. Charvat, '92

"Blue Streak" Personnell

Albert "Al" Buhrens '27, is the other half of the pony guard pair and has seen three years of service on the Blue and Gold squad. He is ever calm and does much to keep the team cool in crucial moments. At Lincoln High, his prep school, he won a position on an all-scholastic team.

Paul ("Polly") Mielcarek '28 played his first game of football in the Marine contest. He covered himself with all kinds of glory that day and is still going strong. He prepped at St. Ignatius.

Francis ("Fran") Duffy '28 is striving for a position in the line. This is his first time out for the team and is making his presence felt.

Garrett ("Jiggs") Marrie '27 is known as one of the hardest hitting backs in this section. He drives at the line like a battering ram and on the defense makes the op-

posing ball toters quail with fear. Garrett starred at Youngstown South before he registered at Carroll.

William ("Tut") Myers '29 is an end, playing his first year on the team. His fine showing in the few games of this season has shown him a fine candidate for a regular berth next year. He prepared at St. Ignatius High.

Anthony ("Tiny") Kazlauckas '27 is an understudy for a guard position. His ability to stop line thrusts made him a valuable reserve man. He came to Carroll from John Marshall High.

Carl ("Rags") Plummer '28 is a half-back of great repute as an open field runner. Although he seldom starts a game he is usually inserted when the team has worked itself into a scoring position, and he finishes the work. He comes from Colfax, Iowa.

CARROLL'S FIGHT SONG

Fight, Carroll, fight
For the Gold and Blue,
For victory's in our right
And we'll plunge right through.
Fight, Carroll, fight
Until the day is won:
It's the fighting team that conquers,
So, Carroll, fight—fight—fight!

CARROLL'S TEAM PHYSICIANS

DR. J. DEERING

DR. J. A. SOMMER

DR. F. J. DORAN

The "Blue Streak" is very fortunate in having among the Carroll alumni three "dyed-in-the-wool" physicians who have rendered invaluable service to the Athletic Association in caring for all the bumps, scratches, bruises and broken bones suffered by the Carroll athletes. They have aided greatly toward the attainment of the success gained by the Carroll squad and their work is greatly appreciated by the management and team.

will learn will do
you a world of good*

The Electrical League

"Blue Streak" Personnell

Gregory ("Irish") Conly '26 is captain and guard playing his last year for the Blue and Gold. He has held down a guard position for two years and has been a vital factor in making the Carroll line practically impenetrable. He spent a year at Notre Dame where he teamed with the great Castner. "Irish" is a product of St. John's Prep School of Boston, Mass.

Joseph ("Joe") Crowley '26 is back with the squad after being absent one season. Joe is a graduate of Cathedral Latin where he performed at the center position, but has been converted into a tackle of no mean ability.

Robert ("Bob") McCaffery '28 is a cool thinking and hard fighting quarter. He lacks weight and experience now but a year or two under Elward's tutelage should make him into a regular. Bob was taught the fundamentals of football at St. Ignatius.

John ("Jack") Toma '28 came to Carroll from Quincy, Ill., with a reputation as a quarterback which he has not lost. As a freshman last year he surprised everyone and gives promise of doing even greater things this season.

Hubert ("Red") McCaffery '27 is playing his second year in the Carroll line. Red is a fighter in the nth degree and it is very seldom that the opposition makes any substantial gains through his guard. He prepped at St. Ignatius High.

John ("Rabbit") Hunter '29 is a shifty little fellow who called signals last year for Warren High of Warren, Ohio. This is his first year in collegiate circles and he is working hard to make good.

James ("Jim") Gowan '27 is the speedy halfback of last season who has been shifted to quarter. He can pass as well as carry the ball and is a valuable interference man. He played with Latin two years before coming to Carroll.

Howard ("How") Lasby '28 is an end skilled in the art of catching passes while on the run. He is fast and adept at diagnosing plays. He received his training at St. Ignatius.
